

Description

Leon's Detail SEVEN on-wall rear channel surround speakers celebrate a 20-year history of American craftsmanship, acoustic engineering, and timeless aesthetics. Each speaker is handcrafted from 1" solid MDF and features world-class 7" aluminum cone woofers and 25mm cloth-dome tweeters for an unrivaled listening experience that perfectly complements our Horizon SEVEN and Profile SEVEN Series speakers. Ideal as rear surround sound speakers in any Living Space Theater® or dedicated home theater.

Recommended with Horizon HzSEVEN, Aaros A10-UT

Key Features

- Handmade 7" aluminum-cone woofers and 25mm cloth-dome tweeters provide an unrivaled listening experience
- 1" solid MDF cabinets provide structural rigidity to decrease unwanted resonance
- Sonically-matched to Horizon SEVEN soundbar and Profile SEVEN speakers for home theater applications
- Easy installation makes DsSEVEN an excellent alternative to in-wall speakers
- Meticulously handcrafted, detailed, and tested in the USA
