

PROJECTOR MOUNT

S E R I E S

SM-PROJ-XL

Micro adjustments for ideal image alignment and versatile mounting options make the Strong™ Universal Fine Adjust Projector Mount a must-have for any dedicated home theater or commercial space. Specifically designed for oversized models up to 50 lbs.

TOOL-LESS ADJUSTMENTS

Get picture-perfect alignment with easy-to-use dials to adjust vertical tilt, horizontal roll, and yaw adjustments.

SECURE MOUNTING

Features multiple security screws for projector attachment to keep mount locked in place for sturdy installation

OPTIONAL ACCESSORIES

Get the perfect installation with versatile mounting accessories like an extension pole, truss mount adaptor, or ceiling tile replacements.

LIFETIME LIMITED WARRANTY

All Strong Mounts have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
