

RAZOR SERIES

— MOUNTS —

Equipped with Smart Features

Razor mounts feature fingertip motion for fast, easy adjustability, and built-in kickstands that provide easy access to the sides and rear of the TV. They also feature up to 3.5" of vertical post-install adjustment for a perfectly mounted TV every time. And for total peace of mind, LokTight™ tabs provide extra security and prevent curious kids from lifting the TV off the wall.

Low-Profile Design

Give your flat-panel TV a sleek, tidy look! At 0.7" from the wall, these low-profile mounts make ultra-thin TVs look their absolute best.

Engineered for Quality

Designed with the highest quality standards, Razor mounts are built with machined steel that offers supreme durability and comes with a lifetime warranty. Strength, reliability, and safety are enhanced thanks to stringent industry certifications from Underwriters Laboratories (UL).

Fixed Series

Available Sizes: M, L, XL

Our Razor Fixed mounts feature 7 degrees of up-tilt with the touch of a finger for convenient access to the back of the TV. And for total peace of mind, they utilize LokTight™ tabs, increased arm width, and an enhanced wall plate for added strength and safety.

	Medium	Large	Extra Large
Weight Limit	80 lbs	100 lbs	125 lbs
Mounting Depth	0.7"	0.7"	0.7"
TV Size Range	24" - 55"	40" - 80"	49" - 90"
Post-Install Travel	2.85in (7.3cm)	3.5in (8.9cm)	3.5in (8.9cm)

Tilt Series

Available Sizes: M, L, XL

Our Razor Tilt mounts feature 11 degrees of down-tilt to provide the perfect viewing angle, making them ideal for mounting above eye level. And like our Fixed mounts, these utilize LokTight™ tabs, increased arm width, and an enhanced wall plate for total peace of mind.

	Medium	Large	Extra Large
