IN-ROOM SUBWOOFER

GOLD SUB

IN-ROOM SUBWOOFER

Triad's In-Room Gold Sub features a 15" long-throw driver that delivers a dynamic output with resounding impact. Hear and feel deep, dominating bass with control and accuracy—experiencing compelling low frequencies that enhance and enrich movie soundtracks and music alike.

This speaker delivers unmatched performance with a studio-grade driver and sealed, internally braced enclosures. Long-throw woofers produce enhanced output and substantial impact with ultra-low distortion. Your sound stage will come to life as guttural drums sound, helicopter blades spin, and explosions erupt in your own home theater.

Triad offers a perfectly matched amplifier for this subwoofer—the RackAmp 700. This amplifier has been optimized with Digital Signal Processing and tailored to complete your soundscape with precision and power in any application or environment. Triad's subwoofers combine superior quality and efficiency, completing your soundscape with precision and power in any application or environment.

In an industry of generic, mass-produced products, Triad's handcrafted sealed-box enclosures deliver detailed acoustics and effortless playback, actualizing the artist's intent.
